THE ULSTER MEDICAL JOURNAL

NOTICE TO CONTRIBUTORS

1. Authors are reminded that concise and clearly expressed papers are those most welcomed by readers and by the Editorial Board.
2. Manuscripts should be typewritten with double spacing and with wide margins. They should be fully corrected, and contributors will be responsible for the payment of any sum charged for alteration in printer's proof.
3. References should be restricted to those really necessary and useful. This Journal has used the Harvard reference system. Aware of the burden imposed on authors by the different styles required by different journals it has been decided to support the move by an increasingly large number of major medical journals to the 'Vancouver style'. Papers should now conform. Details appear in the British Medical Journal 1982; 1: 1766-1770 and in Lancet 1979; 1: 429-430. Journal titles are to be abbreviated to the style of the Index Medicus or given in full.
4. Scientific measurements should be given in SI units, but blood pressure should be expressed in mmHg and haemoglobin as g/dl. Traditional units may usefully be given in parenthesis and conversion factors may be stated, especially with tables and illustrations.
5. Tables must be kept simple and should avoid vertical lines. They and illustrations must be kept to a minimum and data should not be given in both text and tables. Line drawings should be used whenever possible. All illustrations must be in a form ready for publication. Authors may be charged for all blocks at cost prices.
6. Orders for reprints must be given when the author returns the printer's proof. The cost of these may be obtained from the printers in advance.
7. Editorial communications should be sent direct to the Editors. The Editors will be glad to advise authors on the preparation of their manuscripts.

*Fellows and Members of the Ulster Medical Society receive the Journal Free.

THE ULSTER MEDICAL SOCIETY

P.O. Box 222,
Belfast City Hospital,
Belfast 9.

If you are not a member of the Ulster Medical Society, we would appeal to you to give the question of joining your consideration. The Society has been in existence since 1862 (and is the direct descendent of the Belfast Medical Society founded in 1806), and has always been active in keeping its members interested in the advances in medical science. Meetings are held at intervals of a fortnight during the winter months, and papers are contributed by members and distinguished guests. Facilities are provided for doctors to meet informally afterwards, and have a cup of tea. *The Ulster Medical Journal, the official organ of the Society, is issued to all Fellows and Members free of charge.* The Society is now rehoused in its own Rooms and in the new Whitla Medical Building of Queen's University at 97 Lisburn Road, and this replaces the Whitla Medical Institute which had to be vacated in 1965.

May we, therefore, appeal to you to join the Ulster Medical Society, and so enable us to widen its influence and sphere of usefulness still further? A proposal form is appended; your proposer and seconder must be Fellows of the Society. If you do not know any Fellows please contact the Honorary Secretary. All persons registered as medical practitioners under the Medical Act shall be eligible for election as members of the Society (Constitution, Section VI). Temporary membership may be allowed at the discretion of the Council.

If you do not wish to become a member of the Society, will you consider entering your name as a subscriber to THE ULSTER MEDICAL JOURNAL? The subscription is £2.00 per annum, payable in advance to the Honorary Treasurer.

TERENCE FULTON, *President.*

P M REILLY, *Hon. Secretary.*

R W STOUT, *Hon. Treasurer.*

MEMBERS £3.00. (A Member is one who is less than seven years qualified. He or she will automatically become a Fellow seven years after qualification and be liable to the higher subscription rate).

FELLOWS — 1 (a) Annual subscription of Fellows resident, practising or holding an appointment within ten miles of Belfast, **£5.00**; (b) husbands and wives in the above category who are both Fellows will be entitled to pay a combined subscription of **£7.50**; **2** (a) annual subscription of Fellows resident, practising or holding an appointment outside the above area, **£4.00**; (b) husbands and wives in the above category who are both Fellows will be entitled to pay a combined subscription of **£6.00**; **3**, annual subscription of retired Fellows, provided that any Fellow who, by reason of retirement either through age or illness, is no longer engaged either in private practice or in salaried employment, shall be entitled, *on application*, to pay an annual subscription of **£3.00**; only, and provided always that such Fellow has previously paid to the Society a subscription at the current rate for an uninterrupted period of at least ten years, or during such time has been in practice or service abroad.

All Fellows and Members of the Society who have paid subscriptions for 40 years or alternatively having been a Fellow or Member for 20 years and reached the age of 65, or more, shall be exempt from any further subscription

LIFE MEMBERSHIP — Fellows and Members shall be eligible to become Life Members **£75.00.**
